INSTRUCTIONS FOR APPLICATION FOR PRESIDENTIAL BALLOT - NEW WISCONSIN RESIDENT

Any person who is a United States citizen, at least 18 years old on Election Day, who has moved into the State of Wisconsin less than 28 days before the presidential election, and is ineligible to vote absentee in his or her state of previous residence, may vote for president and vice president by completing this application and providing a valid proof of residence and acceptable proof of identification.

A new Wisconsin resident making application for a presidential ballot may not register to vote.

A new Wisconsin resident can complete this application and vote for president and vice president either by absentee ballot in the office of the municipal clerk, or by voting at the polling place on Election Day.

In addition to completing this application form (EL-141) and providing a valid proof of residence and acceptable proof of identification, the elector also must complete a voter registration cancellation card (EL-139).

Both of these items are provided by the municipal clerk. They also can be obtained from an election inspector at the polling place on Election Day.

PROCEDURE FOR MAKING APPLICATION IN THE MUNICIPAL CLERK'S OFFICE

1. The new Wisconsin resident shows valid proof of residence and acceptable proof of identification, completes the application form (EL-141) and the voter registration cancellation card (EL-139).
2. If the new Wisconsin resident chooses to vote an absentee presidential ballot in the clerk's office, the municipal clerk provides the person with an absentee ballot certificate envelope (EL-122) and a presidential-only ballot. The clerk must add the new resident's name and other information to the absentee ballot log along with a notation that the voter received a Presidential-Only ballot.
3. If the new Wisconsin resident making this application chooses to go to the polling place on Election Day to vote, the municipal clerk must provide the person with a copy of the completed application form (EL-141) to take to the polling place. See **Procedure for Voting for President at the Polling Place**, below.
4. The municipal clerk shall send the voter registration cancellation card (EL-139) to the election official for the state in which the new Wisconsin resident lived previously.

PROCEDURE FOR VOTING FOR PRESIDENT AT THE POLLING PLACE

1. The new Wisconsin resident must show valid proof of residence and acceptable proof of identification, complete this application (EL-141) and the voter registration cancellation card (EL-139) at the polling place, or bring a copy of the application form that was completed in the municipal clerk's office.
2. The election inspector will provide the person with a presidential-only ballot.
3. The election inspectors shall indicate on the voter list next to the new Wisconsin resident's name that he or she received only a presidential ballot.
4. The application form (EL-141) and the voter registration cancellation card (EL-139) are returned to the municipal clerk along with the voter lists and other election documents.
